THRESHOLD CRITERIA

IMPORTANCE OF THRESHOLD CRITERIA
ALL Grants

- Threshold eligibility criteria ensures applicants are eligible to receive an EPA Brownfield MARC grant
- Criteria are pass/fail and based on certain requests for information identified in following slides
- Information submitted is used by EPA only to make eligibility determinations for EPA Brownfield grants
- Only applications that pass all threshold criteria will be evaluated against evaluation criteria in Section 5.A. – Evaluation Criteria – of Grant Solicitations

Responses to each criteria are required and must be included as an attachment to the grant Narrative which is included in application submitted to EPA

Applicants deemed ineligible for funding consideration as a result of the threshold eligibility review will be notified within 15 calendar days of the ineligibility determination.

WV TAB

THRESHOLD CRITERIA
Multipurpose Grants

1. Applicant Eligibility
2. Community Involvement
3. Target Area
4. Affirmation of Brownfield Site Ownership
5. Use of Grant Funds
6. Expenditure of Existing Grant Funds
   - At least 70% of funds from EPA must be drawn down by October 1, 2023
7. Contractors & Named Sub-recipients

THRESHOLD CRITERIA
Assessment Grants

Community Wide and State & Tribal

7. Affirmative Statement that Site Meets Brownfield Site Definition
8. Environmental Assessment Required for Cleanup Grant Applications

9. Site Characterization
10. Enforcement of Other Action
11. Sites Requiring a Property-Specific Determination
12. Threshold Criteria Related to CERCLA/Petroleum Liability
13. Cleanup Authority and Oversight Structure
14. Community Notification
15. Contractors and Named Subrecipients

There are a lot of criteria, but most of this is an affirmation of information and data

WV TAB

THRESHOLD CRITERIA
Cleanup Grants

Site Characteristic:

- Applicants **must** show there has been sufficient level of site characterization from ESA performed to date for remediation to begin on site(s).

- Determination must be made by the state environmental agency, VA DEQ

STATE-SPECIFIC THRESHOLD CRITERIA

Cleanup Grants

If eligible for VRP:

Letter from VA DEQ that:

- Affirms eligibility for VRP

- Indicates whether site is or will be enrolled.

- Indicates that there is a sufficient level of site characterization from the environmental site assessment performed to date for the remediation work to begin on the site(s); or

- Indicates that additional assessment is needed and affirms that there will be a sufficient level of site characterization from the environmental site assessment performed by June 15, 2024, for the remediation work to begin on the site(s).

If NOT eligible for VRP:

Letter from VA DEQ that explains why the site is not eligible to be enrolled.

- State in threshold criteria response whether an Environmental Professional has certified:

  - That there is a sufficient level of site characterization from the environmental site assessment performed to date for the remediation work to begin on the site(s); or

  - Indicates that additional assessment is needed; and affirms that there will be a sufficient level of site characterization from the environmental site assessment performed by June 15, 2024, for the remediation work to begin on the site(s).

MARC GRANTS & ELIGIBLE ACTIVITIES*

*Note that Revolving Loan Funds (RLF) are not included in FY2024 solicitations

MULTIPURPOSE GRANTS

MULTIPURPOSE GRANTS

Funding must be used to conduct both assessment <u>and</u> cleanup activities

Recipients required to:

- Conduct at least one Phase II ESA and remediate one site;
- Develop overall plan for revitalization of target area (if one does not already exist)
  - Plan must include feasible reuse strategy for at least one priority site

Applicant must be sole owner of at least one brownfield site within target area by **November 13, 2023**

MULTIPURPOSE GRANTS

These encompass a range of activities, including:

- Developing inventories of brownfield sites;

- Prioritizing sites;

- Conducting community engagement activities;

- Conducting environmental site assessments;

- Developing cleanup plans and reuse plans related to brownfield sites;

- Carry out cleanup activities on brownfield sites owned by the applicant;

- Developing overall revitalization plans

NEW CHANGES TO GRANT
Multipurpose Grant

- Increase of funding from $800k to $1 million

- Regarding Prior/Ongoing Community Involvement, discuss how underserved population in target area has been involved

- Participant support costs available with prior approval by EPA Award Official/Grants Management Officer. Such costs include:
  - Stipends for attendees at community meetings
  - Attendee travel to meetings
  - Childcare expenses to encourage meeting attendance

- Applicants should provide specific examples of how proposed assessment project will address:
  - EJ challenges in Section IV.E. Responses will be evaluated against criteria in Section V.A.
  - Climate vulnerabilities
- Describe your efforts to promote strong labor practices, local hiring/procurement, or link members of the community to potential employment opportunities in brownfields assessment, cleanup, or redevelopment related to your project in a meaningful and equitable way.

TAB

ASSESSMENT GRANTS

TYPES OF EPA ASSESSMENT GRANTS

Type of Grant	Coalition	Community-Wide	State & Tribal
Max $ Amount	$1.5 million	$500,000	$2 million
Geographic Area	Multiple properties in a targeted area	Multiple properties in a targeted area	Community-wide
Max Project Period	4 years	4 years	5 years

ELIGIBLE ACTIVITIES
Assessment Grants

- Inventory, prioritize, and assess sites

- Conduct site redevelopment planning

- Conduct community involvement and facilitate area-wide planning

- Advance local cleanup and redevelopment planning centered around a brownfields-impacted area (site-specific cleanup, reuse plans)

- Develop area-wide plans or other planning activities and identify next steps and resources needed to implement the plan

- Travel and Training

NEW CHANGES TO GRANT
Assessment Coalition

- Increase of funding from $500k to $1.5 Million

- At least two (2) sites must be assessed in each member's boundary (increase from 1).

- Participant support costs available with prior approval by EPA Award Official/Grants Management Officer. Such costs include:
  - Stipends for attendees at community meetings
  - Attendee travel to meetings
  - Childcare expenses to encourage meeting attendance

- Applicants should provide specific examples of how proposed assessment project will address:
  - EJ challenges in Section IV.E. Responses will be evaluated against criteria in Section V.A.
  - Climate vulnerabilities
- Describe your efforts to promote strong labor practices, local hiring/procurement, or link members of the community to potential employment opportunities in brownfields assessment, cleanup, or redevelopment related to your project in a meaningful and equitable way.

NEW CHANGES TO GRANT

Assessment – Community Wide and State & Tribal

- Applicants should provide specific examples of how proposed assessment project will address:
  - EJ challenges in Section IV.E. Responses will be evaluated against criteria in Section V.A.
  - Climate vulnerabilities
- Describe your efforts to promote strong labor practices, local hiring/procurement, or link members of the community to potential employment opportunities in brownfields assessment, cleanup, or redevelopment related to your project in a meaningful and equitable way.

WV TAB

CLEANUP GRANTS

ELIGIBLE ACTIVITIES
Cleanup Grants

- Provide a funding for cleanup activities at a single or multiple sites

- Program reporting, cleanup, oversight, environmental monitoring

- Redevelopment planning centered around a brownfields-impacted area (reuse plan)

- Sampling activities and cleanup alternatives with specific cost estimates are required.

OWNERSHIP ELIGIBILITY
Cleanup Grants

- <u>MUST</u> be sole owner of the site by the time of application.
  - Fee simple title through a legal document.

- The owner must have conducted all appropriate inquiries (AAI) prior to acquiring the property.

- Phase I Environmental Site Assessment not more than 180 days before the property transfer.
  - **The owner must not be liable in any way for the contamination at the site or affiliated with any other person potentially liable for the contamination.**

WV TAB

NEW CHANGES TO GRANT
Cleanup

- Increase of funding from up to $2 million or up to $5 million, depending on category

- State determination letter must clearly indicate that information is for FY24 Cleanup Grant application, and not a previously submitted application

- Applicants should provide specific examples of how proposed cleanup project will address EJ challenges and climate vulnerabilities

- Describe efforts to promote strong labor practices, local hiring/procurement, or link members of the community to potential employment opportunities in brownfields cleanup or redevelopment related to your project in a meaningful and equitable way.

- Regarding Guidance on Classifying Construction costs, when determining costs to include on "Construction" budget line, EPA recommends applicants apply the "principal purpose of the contract" test, instead of characterizing discrete tasks that the same contractor will perform
  - i.e. - If the principal purpose of contract is for construction services, then cost for contract should be placed on "Construction" budget line

TAB

COMMUNITY NOTIFICATION AND PUBLIC MEETING
Cleanup Grants

COMMUNITY NOTIFICATION

- Ad in local newspaper or an equivalent means to communicate with target community.
  - **No later than two weeks before the application is submitted.**

- Must clearly state:

  - A copy of this grant application, including draft ABCA(s), is available for public review and comment.

  - How to comment on the draft application

  - Where the draft is located (i.e. town hall, library, website)

  - Date, time, and location of public meetings.

TAB

COMMUNITY NOTIFICATION AND PUBLIC MEETING
Cleanup Grants

PUBLIC MEETING

- Discuss the draft application
  - Consider public comments
  - Can be a regularly scheduled community meeting with other topics
  - In-person or virtual
- Required attachments for grant application:
  - Comments or a summary of the public comments received
  - Response to public comments
  - Meeting notes or summary of public meeting(s)
  - Sign-in sheets or participant list

Narrative Criteria: All Grants

WV TAB

Narrative Criteria Part 1:

Project Area Description & Plans for Revitalization

- **Target Area and Brownfields**
  - Background and Description of Target Area
  - Description of the Priority Brownfield Site(s)

- **Revitalization of the Target Area**
  - Reuse strategy and alignment with revitalization plans
  - Outcomes and benefits of reuse strategy

- **Strategy for Leveraging Resources**
  - Resources needed for Site Reuse
  - Use of existing infrastructure

Narrative Criteria Part 2:
Community Need

- **Community Need**
  - The Community's Need for Funding
  - Threats to Sensitive Populations
- **Community Engagement**
  - Project Partners
  - Project Partner Roles
  - Incorporating Community Input
    - Extent that plan to communicate project progress to community affected by project work will be involved <u>AND</u> extent their input will be considered in a meaningful way
- **Community Need for Funding**
  - Describe why the small and/or low-income community is unable to secure funding for brownfield activities
  - Describe how this grant will meet the needs of the small and/or low-income community
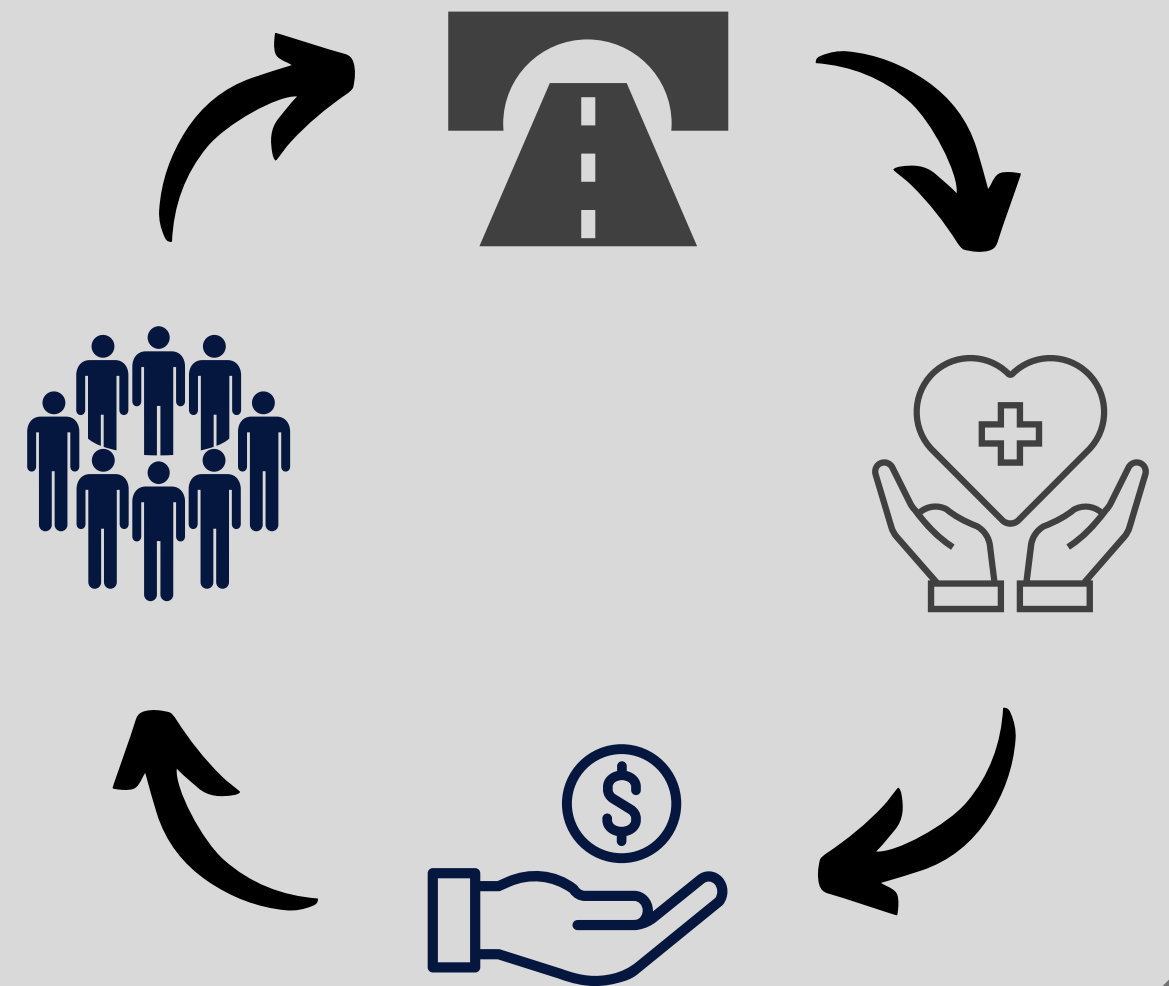

Narrative Criteria Part 3:

Task Descriptions, Cost Estimates, and Measuring Progress

- Project implementation

- Anticipated project schedule

- Task/activity lead

- Outputs

- Cost estimates

Things to Remember:

- Fully explain any Participant Support cost and processes

- Discuss how you will identify additional sites (assessment)

- Be clear on how cost estimates were calculated and estimated

- For Assessment:
    - Projects that allocate at least 40% of the funds to tasks directly associated with site-specific work (i.e., Phase I and Phase II site assessments and site-specific cleanup planning) will be evaluated more favorably.

WV TAB

Narrative Criteria Part 3:
Task Descriptions, Cost Estimates, and Measuring Progress

Project Budget Examples
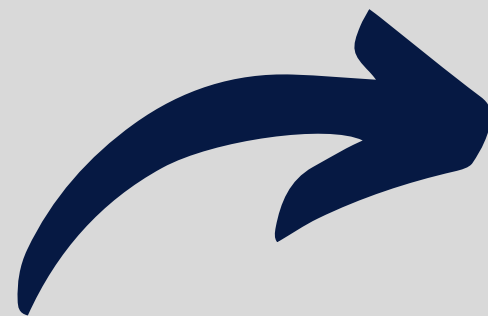

Task 3 – Site Assessments:
In-kind Labor:	Average of 16 hours of staff/month (16x36x$40/hr) = $23,040 (leveraged)
Contractual Costs:	10 Phase I ESAs (10x$3,500 = $35,000); 4 ACM Surveys (4x$3,000 = $12,000); LBP Surveys (4x$2,500 = $10,000); 1 Generic QAPP ($2,500); 5 SAPs (5x$3,000 = $15,000); 5 HASPs (5x$1,500=$7,500); 5 Phase II ESAs (5x$29,800 [avg./Phase II] = $149,000) = **$231,000**

Task 4 – Cleanup & Redevelopment Planning:
In-kind Labor:	Average of 6 hours of staff/month (6x36x$40/hr) = $8,640 (leveraged)
Contractual Costs:	3 ABCAs (3x$3,500 = $10,500); 2 Site Reuse/marketing Plans (2x$9,000 = $18,000) = **$28,500**

- Community meetings

WV TAB

Narrative Criteria Part 3:
Task Descriptions, Cost Estimates, and Measuring Progress

Measuring environmental results: Anticipated Outputs/Outcomes

- Discuss your plan to track, measure, and evaluate progress in achieving project outputs, overall project results, and eventual project outcomes

Tracking tools to consider:

- Software products

- Progress reporting

- Scheduled team progress meetings

- Contractor support

Tracking your accomplishments (the big picture):

- Status on leveraging other critical funding

- Strides toward accomplishing redevelopment vision plans

WV TAB

Narrative Criteria-CLEANUP ONLY
Task Descriptions, Cost Estimates, and Measuring Progress

Proposed Cleanup Plan

- Outline the cleanup plan(s) proposed for the site(s)

- Briefly describe the contaminated media to be addressed, cleanup method(s), and disposal requirements

- Can pull from the ABCA- reviewers will NOT see the ABCA, so make sure the important information is in this section as well!

TAB

Narrative Criteria Part 4:
Programmatic Capability and Past Performance
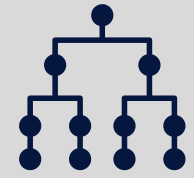

Organizational Structure
- Explain how your team will be structured to ensure that the grant will be carried out successfully.

Description of Key Staff
- Discuss key staff that will work together successfully to implement the grant.

Acquiring Additional Resources
- Discuss the systems in place to acquire any additional expertise and resources.

Narrative Criteria Part 4:
Programmatic Capability and Past Performance

Must answer one of the three categories:

1.) Applicants who currently have/have previously received an EPA Brownfields Grant*

2.) Applicants who have NOT received an EPA Brownfields Grant but have received other federal/non-federal assistance agreements (grants)

3.) Applicants who have never received federal or non-federal assistance agreements (grants).

*Multipurpose, Assessment, RLF, Cleanup, and/or 128(a) Grants ONLY. For other Brownfield Grants, see next option.

SAM.GOV

Sam.gov

- The System for Award Management (SAM) is an official website of the U.S. Government. There is NO cost to use SAM. You can use this site for free to:

  - Register to do business with the U.S. Government.

  - Update or renew your entity registration

  - Check the status of an entity registration

  - Search for entity registration and exclusion records

  - Can take at least 2 weeks or more to complete- **Don't Wait!**

WV TAB
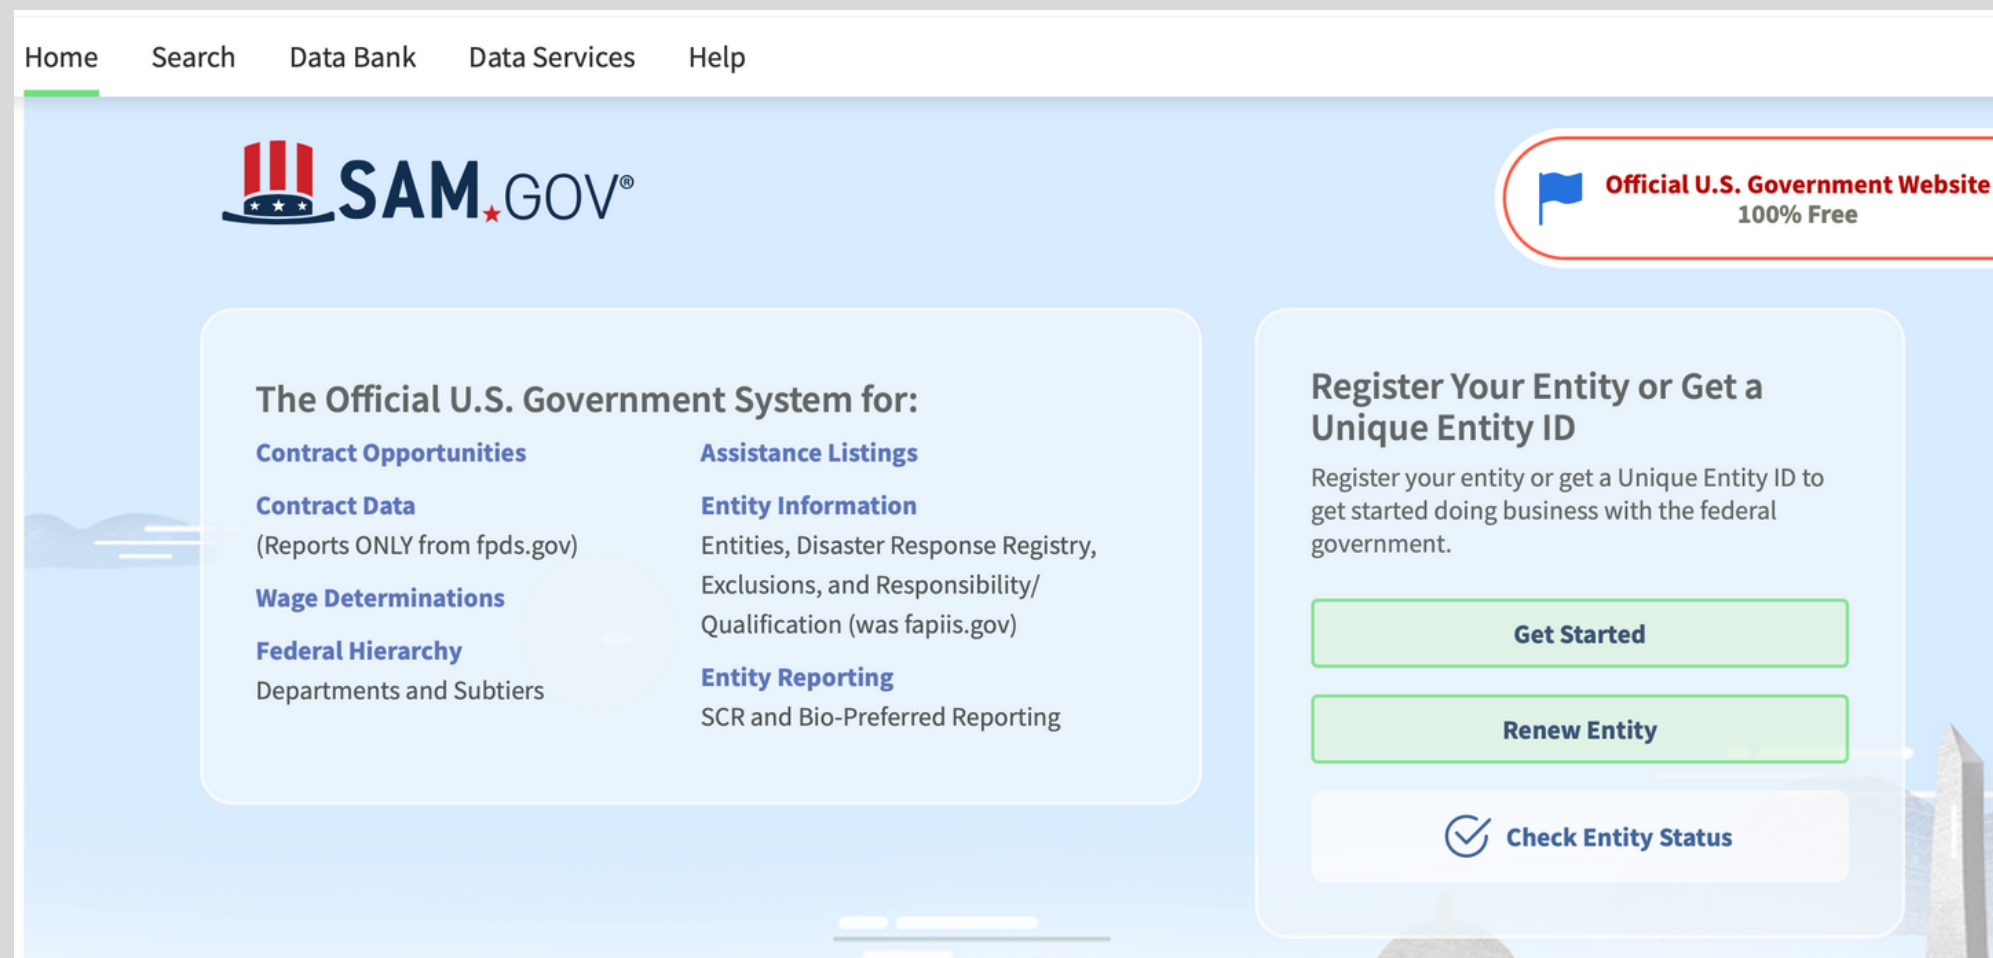

Sam.gov

You may already have this!

- If your organization has applied for federal funding- Not just EPA funding- in the past, you may already have a SAM.gov account and number.

People to check with:

- Organization's Leadership
- City/County Clerk
- City Manager
- Grant Writer/Manager

SAM
SYSTEM FOR AWARD MANAGEMENT

- **To Register/Check Status/Renew: www.sam.gov**

You will need:

✓ Unique Entity ID

✓ Tax ID #

✓ Bank routing number, bank account number, and account type (i.e. checking/savings) to set up Electronic Funds Transfer (EFT)

✓ All non-Federal entities must mail original, signed, and notarized letter to the Federal Service Desk within 30 days of activation.

DON'T FORGET

- Must be renewed every 12 months.

- Must be active when applying for grants.

- Make sure contact information is correct and up to date.

- FREE to register and renew- Watch Out for Scams!

W TAB

VALUE OF THE GRANT DEBRIEF PROCESS

If you applied previously and were unsuccessful, refer to your Grant Debrief

- Valuable resources for localities that were not selected for their respective grant

- Debrief meetings typically include EPA Region 3 and state environmental agency representatives to discuss the grading outcome of the grant application

- Opportunity to answer any questions and discuss sections of the application/narrative that can be improved upon for the next grant cycle

- Ultimately, we are all on the same team and want you to be successful!

WVU TAB CAN HELP!
